A simple choice; a generous response

The Simply GivingSM Program

Through *Simply Giving*SM, your offerings or tuition payments are made through a pre-authorized withdrawal from your bank account. You determine the frequency of your automatic donation – weekly, semi-monthly, or monthly – the option is yours. **Note:** The date the monthly tuition payment is transferred from your account to the school account is predetermined by the school. Your donation or payment is deposited into the recipient's bank account on the same day it is withdrawn from your account.

Benefits to you and...

Your Congregation

*Simply Giving*SM is a reliable, safe way to move your stewardship plan into action. It allows you to share your donations through planned giving and activates your generosity into ongoing stewardship. Because your donation is given consistently, you won't need to play "catch-up" at year-end or worry about forgotten checkbooks or missed Sunday offerings. But you're not the only one that benefits. Your congregation benefits from steady, more predictable revenues throughout the year, more efficient bookkeeping, and greater confidence in meeting its financial commitments.

Your School

This program is also a convenient way to pay tuition at a Lutheran school. *Simply Giving*SM provides an easy, no-cost way for the school to collect tuition, and allows the school to benefit from consistent cash flow. Your tuition payments are made to the school through a pre-authorized withdrawal from your bank account and deposited on the same day into the school's bank account.

Your Favorite Lutheran Institution

You can also make convenient contributions to other Lutheran institutions through the *Simply Giving*SM program. Because of your planned giving and ongoing stewardship, the institution you support benefits from steady, more predictable revenues throughout the year. This helps the institution to better meet its financial goals and development objectives.

Why does Thrivent Financial for Lutherans offer the *Simply Giving*SM program?
